## HALO ORGANIC SHEET SETS

Our 100% organic cotton percale bedlinen is all about mindful design and eco-friendly interiors. Woven with a high-quality 370 thread count, our organic cotton is a specifically selected variety that is adapted to local conditions, making it naturally robust without the need for harmful fertilizers and chemicals, and also requires less water to grow. Finished with a light stonewash for an elegant matte look, our Halo Organic range also has a beautifully soft hand feel. Made in Green by OEKO-TEX is a traceable product label for textiles manufactured in environmentally friendly facilities and under socially responsible working conditions, with the added assurance of no harmful chemicals.

Sheet Sets available in Eucalypt, White, Rosewater, Tobacco, and Pebble

## PAROS BATH TOWELS

Our Paros and Waffle collections offer beautifully finished plain-dyed bath towels that are woven from sustainably sourced cotton, which means it's better for those who grow it, the farmland it grows on, and the cotton industry as a whole. Not only does that result in less impact on the environment, but it also makes for a luxuriously soft and highly absorbent towel.

The full Paros collection contains 14 harmonious colours, including new additions mustard, tobacco and khaki.
